For funding and reporting purposes

- sharing anonymised data with a funding partner as condition of grant funding e.g. Local Authority;
- analysing anonymised data to monitor club trends; and
- sending an annual club survey to improve your experience as a club member.

For membership and club management

- processing of membership forms and payments;
- sharing data with committee members to provide information about club activities, membership renewals or invitation to social events;

On occasion we may collect personal data from non-members (e.g. such as any non-member participant who fills in a health disclaimer or form at a club event). This information will be stored for up to four years and then destroyed securely. Our lawful basis for processing data is consent. Therefore, we will also need explicit consent from non-members to process this data, which we will ask for at the point of collecting it.

The club has social media pages including Facebook, WhatsApp and Instagram. All members are free to join these pages. If you join one of the Social Media pages, please note that the providers of the social media platforms have their own privacy policies and that the club do not accept any responsibility or liability for these policies. Please check these policies before you submit any personal data on the club social media pages.
