

Hospitality Rider 2023

Rider is an attachment to the contract

The band always tries to perform a concert at the highest artistic and technical level, however, appropriate conditions are necessary for this.

Parking

We travel by a large bus 7.5 meters long. Please provide a parking space under the club / stage for the duration of the performance, as well as a guarded, paid parking space at the hotel.

Backstage

We will ask for a lockable room, without access by outsiders. The room should have: a seat for 8 people, a table, a hanger, a large mirror, lighting sufficient for makeup, and a toilet. Please provide juices, drinks, still water, snacks, fruit, etc. in the dressing room. min. 10 bottles of beer and 1 bottle of red wine. Please provide 8 half-liter bottles of still water in plastic bottles on stage.

Meal

A warm lunch consisting of a total of 8 meals. Including: 7 meat dishes, , 1 vegetarian dish **without wheat!**

Hotel

Bed and breakfast for 8 people paid for by the organizer. Rooms with bathrooms. It would be best if the rooms were all single rooms. If this is difficult to meet, we ask for 3 double rooms with bathrooms (separate beds) and 2 single rooms with bathrooms.

Health and safety

Please comply with the health and safety regulations, provide the contractors and the contractor with proper personal protection. The organizer is responsible for the safety of the equipment during the rehearsal, concert or between the rehearsal and the concert.

Registration

Any audio or video recording of the concert performed at the request of the organizer, please agree with the band's manager.

Tickets

We will ask for a few pieces of free tickets. The list of people entitled to free admission to the concert will be presented by the band's manager before the performance.
