2025 Christmas Celebration!

We finished off 2025 with a festive celebration at 'Our Backyard'! The day unfolded with a Christmas show from our fabulous Drama Kings & Queens, followed by a grand entrance from Santa Claus himself, who delivered gifts and smiles to everyone!

We were also lucky to welcome another special guest [Sandy Bolton MP](#)! A festive feast was then served, and everyone celebrated around the table together. A massive shoutout to our incredible partners [Team Body Corporate](#) for joining us on the day and sponsoring our Christmas festivities.

We can't wait to bring the big Members & Families Christmas Party back next year!

PROGRAM HIGHLIGHTS!

We have so many amazing programs at 'Our Backyard', take a look at some of the impressive things they have been getting up to.

NEW 2026 program - The Learning Garden Kitchen

This program celebrates the flavours, colours, and textures of our seasonal produce, highlighting how we sustainably use everything we grow, gather, forage, and harvest.

Members will explore how herbs can elevate meals, support wellbeing through simple medicinal applications, and even be used to create natural beauty products.

Join us as we transform ingredients from our garden into fun, delicious snacks to share, enjoy, and learn from.

The Great Pizza Challenge!

Our wonderful partners [Team Body Corporate](#) brought the heat and the fun to our Great Pizza Challenge, and what a competition it was!

Four enthusiastic teams went head to head, each drawing a mystery pizza flavour from the hat and creating two identical pizzas using our incredible Gozney Pizza Ovens in our outdoor kitchen.

Under our expert guidance, teams baked and laughed their way through the challenge, showing off their creativity, teamwork and pizza-making skills!

Everyone came together to taste and enjoy all eight mouth-watering pizzas, before the judges scored each team on Taste, Originality, and Team Collaboration.
