College Sports Commission Remarks

Since the NIL Go platform launched on June 11, 2025, and through October 31, 2025:

- 53% of deals submitted to NIL Go were resolved within 24 hours.
- 74% of deals that reached resolution did so within 7 days following submission of all required information.

On the NIL Go platform in the month of October:

- 3,363 NIL deals worth a total of \$24.95M were cleared.
- Deals that were resolved in October achieved resolution 21% faster than deals resolved in September.

This report provides a recurring snapshot of activity on the NIL Go platform. These reports will continue to be produced and distributed periodically by the College Sports Commission. For additional information, visit collegesportscommission.org.
