

Technical Data Sheet | BP2FW

Drum Spill Pallet | 2 x Drums

Manufactured from durable medium-density polyethylene, this spill pallet offers broad chemical compatibility, a 230ltr sump capacity, and complies with UK regulations. It features four-way forklift access, a removable grid, and sturdy support towers for 1200x800mm grid loads. Standing 520mm high, it's compatible with forklifts and manual pallet trucks. Eco-friendly branding with a recycling logo and product details are moulded on both sides.
