

Gardening Club Manager Job Description

The Dock is looking for a qualified person who loves teaching students about plants from a biblical worldview, while maintaining our greenhouse. This is a part-time (7-10 hours per week) position that will increase over time as we invite more students into this program.

Qualifications

1. Able to express their Christian faith well
2. Has some basic plant knowledge
3. Possesses a basic understanding of how to operate a greenhouse or have a willingness to learn
4. Enjoys teaching students about gardening
5. Has prior experience working with students

Responsibilities

1. Maintain The Dock's greenhouse and gardens (including but not limited to managing supplies, watering plants, choosing plants to grow, setting the temperature, etc.)
2. Teach students weekly (starting with upper elementary and then working up to middle school and high school as well as down to lower elementary over time)
3. Coordinate and present lesson plans in age-appropriate and engaging ways
4. Work with volunteers during lessons
5. Coordinate with and report to The Dock's Director

Benefits

- \$20 per hour
