

Johnny's Gonna Live

Cover: Wall mural we used to pass when we drove into Chicago from the suburbs to see my grandparents back in the 'sixties. My brother Jeff knew right where to find it. And it was still there! Jeff had them fry up some perch for us, at 10AM. **Back cover:** Wall mural in Strasbourg, France, and me in Carl Schurz Park, with the East River, Hell's Gate, the tip of Queens, Randall's Island (the center of Robert Moses' planning empire), the Triboro (RFK) and Hell Gate bridges in the background.
