OUR REFERRAL PROMISE

DEDICATED PROVIDERS

Rest assured that your patients will be evaluated, treated, and followed throughout the entire process by Dr. Farshidi and Dr. Kwon. Our providers take great care in ensuring that patients feel safe in our stress-free practice. We believe that each patient deserves the utmost level of respect. At the time of treatment, reports are always sent to referring doctors to maintain continuity of care. It is our promise that each patient will receive Dr. Farshidi and Dr. Kwon's undivided attention while they are under our care.

FLEXIBLE SCHEDULE

Our office is open 5 days a week. We understand there is a certain level of urgency to seeing an oral surgeon, which is why we work with each patient's schedule to make sure they are seen as soon as possible. It is our guarantee that patients can be seen within days of calling our office.

AFFORDABLE

We are in-network with a wide range of PPO insurance plans, as well as Denti-Cal. For patients without insurance, we offer discounted rates. Our Insurance and Patient Care Coordinators take pride in collaborating with patients to provide affordable solutions to ensure they receive the care and attention they need. We believe everyone deserves quality dental care regardless of insurance coverage or economic standing.
